We have been informed by the Underlying Funds of (i) the upcoming change of the name of Amundi Funds - Equity Global Luxury and Lifestyle; and (ii) the Underlying Funds’ initiative to rewrite their prospectus to enhance the clarity and reader-friendliness of disclosures and reformulate their investment objective and policy of the Underlying Funds.

1. Change of Name of Amundi Funds - Equity Global Luxury and Lifestyle

With effect from July 3, 2017 (the “**Effective Date**”), the name of Amundi Funds - Equity Global Luxury and Lifestyle will be modified to Amundi Funds - CPR Global Lifestyles. In view of such change, the name of the corresponding investment choices will be changed as follows with effect from July 10, 2017.

Current Name of Investment Choice	New Name of Investment Choice
Manulife Inv Amundi Global Luxury and Lifestyle Fund	Manulife Inv Amundi CPR Global Lifestyles Fund
MIL Amundi Global Luxury and Lifestyle Fund	MIL Amundi CPR Global Lifestyles Fund

The offering documents of the relevant Plans will be updated to reflect the above changes.

2. Change of Investment Objective and Policy of the Underlying Funds

With effect from the Effective Date (or, in respect of Amundi Funds – Cash USD, August 3, 2017), the investment objective and policy of the Underlying Funds will be rewritten to:

- integrate the reference indicator (or, in respect of Amundi Funds – Equity Global Luxury and Lifestyle, the new reference indicator) into the investment objective of the Underlying Funds;
- fine-tune and/or elaborate on the scope of investment of the Underlying Funds;
- specify Amundi Funds – Equity Emerging Focus’ investment limit on participatory notes (“**P-Notes**”); and
- clarify and/or elaborate on the investment strategy (including stock selection process) within the scope of the Underlying Funds’ existing investment policy, objective and strategy to more closely reflect the existing practice in relation to the management process of the Underlying Funds.

Accordingly, as from the Effective date (or, in respect of Amundi Funds – Cash USD, August 3, 2017), the investment objective and policy of the Underlying Funds have to be read as follows (key changes are underlined for your easy reference):

(i) Amundi Funds - Equity Emerging Focus

“Objective

To achieve long-term capital growth. Specifically, the Sub-Fund seeks to outperform (after applicable fees) the MSCI Emerging Markets index.

Investments

The Sub-Fund invests mainly in emerging market equities.

Specifically, the Sub-Fund invests at least 67% of assets in equities and equity-linked instruments issued by companies that are headquartered, or do substantial business, in emerging countries. The Sub-Fund may invest in P-Notes for the purpose of efficient portfolio management, with a maximum of 30% of net assets in P-Notes based on China A-Shares. There are no currency constraints on these investments.

While complying with the above policies, the remaining net assets of the Sub-Fund may also invest in other equities, equity-linked instruments, convertible bonds, bonds, money market instruments and deposits, and may invest up to 10% of net assets in UCITS/UCIs.

Derivatives

The Sub-Fund may use derivatives for hedging and efficient portfolio management. The Sub-Fund will not invest extensively in financial derivative instruments for investment purposes.

Base currency USD

Management Process

The investment team actively manages the Sub-Fund’s portfolio by combining top-down and bottom-up strategies: geographical allocation, sector allocation within each country and equity selection of companies directly exposed to emerging markets and economies.

(ii) Amundi Funds - Equity Global Luxury and Lifestyle

“Objective

To achieve long-term capital growth. Specifically, the Sub-Fund seeks to outperform (after applicable fees) the MSCI World Index.

Investments

The Sub-Fund invests mainly in equities of companies around the world benefiting from the dynamism of consumption related to individual self-fulfillment and well-being.

Specifically, the Sub-Fund invests at least 67% of assets in the companies tied to this theme through, amongst others, luxury goods, travel, leisure and information technology. There are no currency constraints on these investments.

While complying with the above policies, the remaining net assets of the Sub-Fund may also invest in other equities, equity-linked instruments, convertible bonds, bonds, money market instruments and deposits, and may invest up to 10% of net assets in UCITS/UCIs.

Derivatives

The Sub-Fund may use derivatives for hedging and efficient portfolio management. The Sub-Fund will not invest extensively in financial derivative instruments for investment purposes.

Base currency USD.

Management Process

The investment team selects equities based on the analysis of consumption trends (top-down) and fundamental analysis of company outlooks (bottom-up).

Please also note that, with effect from the Effective Date, the reference indicator of such Underlying Fund will be changed from MSCI World Consumer Discretionary Net Index (dividend reinvested) to MSCI World Index which provides a more suitable basis for performance evaluation based on the Underlying Fund’s existing investment universe.

(iii) Amundi Funds - Equity Korea

“Objective

To achieve long-term capital growth. Specifically, the Sub-Fund seeks to outperform (after applicable fees) the 10/40 MSCI Korea index.

Investments

The Sub-Fund invests mainly in Korean equities.

Specifically, the Sub-Fund invests at least 67% of assets in equities of companies that are headquartered, or do substantial business, in Korea.

While complying with the above policies, the remaining assets of the Sub-Fund may also invest in other equities, equity-linked instruments, convertible bonds, bonds, money market instruments and deposits, and may invest up to 10% of net assets in UCITS/UCIs.

The Sub-fund will comply with all rules and regulations issued by the Korea Exchange relating to investment by foreigners in securities listed on the Korea Exchange including the Rules on Sales and Purchases of Shares by Foreigners adopted by the KSEC on 30th September 1991 as amended from time to time.

Derivatives

The Sub-Fund may use derivatives for hedging and efficient portfolio management. The Sub-Fund will not invest extensively in financial derivative instruments for investment purposes.

Base currency USD.

Management Process

The investment team actively manages the Sub-Fund’s portfolio by using a stock-picking model (bottom-up) that aims to select the most attractive equities based on growth potential and valuation.

(vi) Amundi Funds - Cash USD

Objective

To achieve a stable performance in line with the USD Libor 3-month rate.

Investments

The Sub-Fund invests mainly in money market instruments that are denominated in US dollar or hedged against the US dollar.

Specifically, the Sub-Fund invests at least 67% of assets in money market instruments. The Sub-Fund maintains an average portfolio maturity of 90 days or less.

For as long as the Sub-Fund remains authorised by the SFC, it will be operated in accordance with the investment principles of (including the investment and borrowing restrictions) Chapter 8.2 of the SFC Code on Unit Trusts and Mutual Funds. The Sub-Fund will not purchase an instrument with a remaining maturity of more than 397 days, or two years in the case of government and other public securities.

The Sub-Fund does not invest more than 30% of assets in transferable securities and money market instruments issued or guaranteed by any single nation, public local authority within the EU, or an international body to which at least one EU member belongs.

Derivatives

The Sub-Fund may use derivatives for hedging and efficient portfolio management. The Sub-Fund will not invest extensively in financial derivative instruments for investment purposes.

Base currency USD.

Management Process

The investment team uses both technical and fundamental analysis, including credit analysis, to select issuers and short term private securities (bottom-up) while constructing a high quality portfolio with a strong focus on liquidity and risk management.
