March 16, 2020

To Policyowners of Manulife Investment Plus (“MI Plus”) / Manulife Investment Solutions (“MISo”) / Manulife Wealth Creator (“MWC”) / Alpha / Alpha Regular Investor (“ARI”) / Matrix / ManuSelect Investment Protector (“MIP”) (each a “Plan” and collectively, the “Plans”)

Termination and Withdrawal of Authorization of
Manulife Inv Schroder Asia Pacific Cities Real Estate Fund, MIL Schroder Asia Pacific Cities Real Estate Fund
and ManuSelect Schroder Asia Pacific Cities Real Estate Fund

We would like to notify you of the termination and deauthorization from the Securities and Futures Commission (“SFC”) in Hong Kong of the following investment choices (the “**Termination and Deauthorization**”) with effect from April 16, 2020 (the “**Effective Date**”) due to the reasons specified below.

Name of Plan	Name of Investment Choice	Name of Underlying Fund	Share Class of Underlying Fund
MI Plus, MISo and MWC	Manulife Inv Schroder Asia Pacific Cities Real Estate Fund	Schroder International Selection Fund – Asia Pacific Cities Real Estate	Class A1
Alpha, ARI and Matrix	MIL Schroder Asia Pacific Cities Real Estate Fund		
MIP	ManuSelect Schroder Asia Pacific Cities Real Estate Fund		

Underlying Fund Level

There is a merger of the underlying fund corresponding to the Terminating Investment Choices, namely Schroder International Selection Fund – Asia Pacific Cities Real Estate (the “**Merging Underlying Fund**”) into Schroder International Selection Fund — Global Cities Real Estate (the “**Receiving Underlying Fund**”) with effect on April 16, 2020 (the “**Merger**”). Redemption and / or switching requests of the Merging Underlying Fund will be accepted up to 5:00p.m. on April 9, 2020.

Investment Choice Level

Upon review, the investment exposure of the Merging Underlying Fund and the Receiving Underlying Fund does not offer the exact same commonality across companies and regions (in particular, the geographical exposure of the Merging Underlying Fund focuses on Asia Pacific while the Receiving Underlying Fund focuses on global). Further, the Merging Underlying Fund has a more concentrated portfolio than the Receiving Underlying Fund and may invest in China A-Shares, China B-Shares and China H-Shares. The Receiving Underlying Fund may invest up to 5% of its net asset value in China A-Shares but the Receiving Underlying Fund currently does not have any exposures to China. As a result, we believe that the investment and risk exposures of the Receiving Underlying Fund may not match with the original investment intentions of the policyholders. We therefore consider that it is in the best interests of the policyowners not to follow the Merger and terminate and withdraw authorization from the SFC of the Terminating Investment Choices with effect from the Effective Date.

In view of the above, the Terminating Investment Choices will be terminated and withdrawn from authorization from the SFC on the Effective Date. According to Provision 11.3(i) in “Investment Choice Termination” section of the policy provision of MI Plus, Provision 10.3(i) in “Investment Choice Termination” section of the policy provision of MISo, Provision 9.3 in “Fund Termination” section of the policy provision of MWC, Provision 4.2.2(a) in “Investment Choice Closure or Termination” section of the policy provision of ARI and Alpha, Provision 3.2.2(a) in “Investment Choice Closure or Termination” section of the policy provision of Matrix, and Provision 12(vii) in “Investment Choice Exchange” section of the policy provision of MIP, Manulife may terminate any investment choice under the respective Plans by exchanging / switching the account value of the terminating investment choice for / to the account value of another investment choice in such manner as shall be prescribed by Manulife at the time of notice.

Costs and Expenses

Please note that all the costs for the Termination and Deauthorization of the Terminating Investment Choices will be borne by Manulife.
