Allianz Global Investors Fund  
A / AT

- The Fund is exposed to significant risks of investment/general market, country and region, emerging market, company-specific, currency (such as exchange controls, in particular RMB) and investing in small and mid-sized companies.
- The Fund may invest in the China A-Shares market directly via the Stock Connect or other foreign access regimes and/or other permitted means and/or indirectly through all eligible instruments and thus is subject to the associated risks (including quota limitation, change in rule and regulations, repatriation of the Fund's monies, trade restrictions, China market volatility and uncertainty, potential clearing and/or settlement difficulties, change in economic, social and political policy in PRC and Mainland China tax risks).
- The Fund may invest in financial derivative instruments ("FDI") which may expose to higher leverage, counterparty, liquidity, valuation, volatility, market and over the counter transaction risks. The Fund's net derivative exposure may be up to 50% of the Fund's net asset value.
- This investment may involve risks that could result in loss of part or entire amount of investors' investment.
- In making investment decisions, investors should not rely solely on this material.
- **Note:** Dividend payments may, at the sole discretion of the Investment Manager, be made out of the Fund's capital or effectively out of the Fund's capital which represents a return or withdrawal of part of the amount investors originally invested and/or capital gains attributable to the original investment. This may result in an immediate decrease in the NAV per share and the capital of the Fund available for investment in the future and capital growth may be reduced, in particular for hedged share classes for which the distribution amount and NAV of any hedged share classes (HSC) may be adversely affected by differences in the interests rates of the reference currency of the HSC and the base currency of the Fund.

## Investment Objective

The Fund aims at long-term capital growth by investing in Asian equity markets excluding Japan, with a focus on small-sized and mid-sized companies.

Fund performance is calculated on NAV to NAV basis in denominated currency of the respective share class with gross dividends re-invested. Benchmark performance is calculated in denominated currency of the respective share class.

- 1) Dividend payments are applicable for Class A Dis (annual distribution) and for reference only. Yields are not guaranteed, dividend may be paid out from capital (Class A). This may result in an immediate decrease in the NAV per share and may reduce the capital available for the Fund for future investment and capital growth. Positive distribution yield does not imply positive return.
- 2) Annualised Dividend Yield = Dividend Per Share / Ex-Dividend Date NAV. Positive distribution yield does not imply positive return. Dividend is not guaranteed. Historical dividend yield is not indicative of future dividend payouts.
- 3) The Benchmark Index is MSCI AC Asia Excl. Japan Mid Cap Total Return Net. The benchmark performance information set out above prior to 17 July 2012 is based on MSCI AC Far East Ex Japan Total Return (Net). The Benchmark Index was changed on 17 July 2012 as the current benchmark is considered more representative of the Fund's investment policy.
- 4) The Fund Size quoted includes all share classes of the Fund.
- 5) EU Sustainability-related Disclosure Regulation. Information is accurate at time of publishing.
- 6) The All-in-Fee includes the expenses previously called management and administration fees.
- 7) Total Expense Ratio (TER): Total cost (except transaction costs) charged to the Fund during the last financial year (as at 30/09/2023) expressed as a ratio of the Fund's average NAV. For share classes that have been incepted for less than one year as at close of the last financial year (please refer to the Inception Date in the Fund Details table), the TER will be annualised. For share classes incepted after the close of the last financial year, the TER will be reflected as N/A.
- 8) Inception Date means the very first date when the Fund commenced its operations (irrespective of any dates of restructuring/merging of assets thereafter).
