Unless stated otherwise, all information as at the last valuation date of the previous month. Source: J.P. Morgan Asset Management/Bloomberg (NAV to NAV in denominated currency). Any overweight in any investment holding exceeding the limit set out in the Investment Restrictions was due to market movements and will be rectified shortly. It should be noted that due to the difference of the fund domiciles the valuation points used by the Unit Trust range and SICAV range of funds for fair valuation (where applied) may vary. For details please refer to the respective offering document(s).

Investment involves risk. Past performance is not indicative of future performance. Funds which are invested in emerging markets and smaller companies may also involve a higher degree of risk and are usually more sensitive to price movements. Please refer to the offering document(s) for details, including the risk factors. This document has not been reviewed by the SFC. Issued by JPMorgan Funds (Asia) Limited.
