**Terms and Conditions:**

1. This promotion is only applicable to a new ManuLeisure Deferred Annuity ("ManuLeisure") policy application that has been successfully submitted via a Manulife insurance advisor or licensed technical representative at designated brokers from July 22, 2024 to October 21, 2024 (both dates inclusive) together with a valid proposal including the relevant campaign code and premium discount shown, and approved by Manulife on or before January 21, 2025 ('Eligible Policy').
2. For the avoidance of doubt, only basic plan's standard premium will be taken into account in calculating the premium discount. All supplementary benefits' premium will not be taken into account in calculating the premium discount.
3. Under the premium discount promotion, the applicable premium discount as specified in the table above will be applied to each premium amount due and payable for the first policy year or first 5 policy years respectively (as the case may be) according to the payment mode of the Eligible Policy.
4. If the policyowner increases the notional amount of the Eligible Policy or change in payment mode of the Eligible Policy before the end of the first policy year or first 5 policy years respectively (as the case may be) which results in an increase in basic plan's premium, the basic plan's premium before the increase will be used to determine the entitled premium discount amount for the first policy year or first 5 policy years respectively (as the case may be).
5. If the policyowner decreases the notional amount of the Eligible Policy or change in payment mode of the Eligible Policy before the end of the first policy year or first 5 policy years respectively (as the case may be) which results in a decrease in basic plan's premium, the basic plan's premium after the decrease will be used to determine the entitled premium discount amount for the first policy year or first 5 policy years respectively (as the case may be), which would be adjusted as if the relevant change(s) occurred in the beginning of first policy year or first 5 policy years respectively (as the case may be). Manulife shall have the right to request the policyowner to pay back the difference between the premium discount provided to the Eligible Policy and the entitled premium discount amount after adjustment.
6. If the policyowner cancels or surrenders the Eligible Policy before the end of the first policy year or first 5 policy years respectively (as the case may be), Manulife shall have the right to deduct the amount of premium discount for the first policy year or first 5 policy years respectively (as the case may be) from the surrender value, cash value or premium refund, if applicable.
7. The premium discount for the first policy year or first 5 policy years respectively (as the case may be) will cease to apply immediately if there are any subsequent alterations (except where specified in (4) and (5) above) to or termination of the Eligible Policy in the first policy year or first 5 policy years respectively (as the case may be) for whatever reasons before applying the amount of the premium discount.
8. The premium discount is non-transferrable and non-redeemable for cash. In case of premium refund, any part of premium payments that is offset by the premium discount can under no circumstances be counted as premium paid and will not be included in the refund amount.
9. This promotion does not apply if you have terminated any existing ManuLeisure Deferred Annuity policy or withdrawn any application of new ManuLeisure Deferred Annuity policy for the same life insured within six months before the Eligible Policy is applied.
10. Levy on insurance premium to be collected by the Insurance Authority is calculated based on the premium before deducting the premium discount.
11. The said premium discounts are not allowed for tax deduction as they are not treated as "Qualifying Annuity Premium" for tax concession purpose. For further details on tax deduction that is applicable to Qualifying Deferred Annuity Policy, you may visit Insurance Authority's website at [www.ia.org.hk](http://www.ia.org.hk) or the website of the Inland Revenue Department of HKSAR at [www.ird.gov.hk](http://www.ird.gov.hk).
