Manulife named Overall Top Fund-raiser in Walk for Millions 2016/2017 Challenge Cup

Hong Kong — Manulife has been awarded the “Challenge Cup – Overall Top Fund-raiser” by The Community Chest of Hong Kong (“the Chest”) for its contribution to the 2016/2017 Walk for Millions. With HK\$1.07 million raised to help fund 24 of the Chest’s social-welfare agencies in providing family and child-welfare support, Manulife was also named a “Top fund-raiser for the Hong Kong and Kowloon Walk” and a winner of the “Highest Donation Increment Award”.

Manulife also received a “President’s Award” at the Community Chest 2016/2017 Annual Presentation of Awards Ceremony, in recognition of its support to and active participation in the fund raising activities organized by the Chest.

Guy Mills, Chief Executive Officer, Manulife Hong Kong, commented: “At Manulife, we care about the well-being and development of the community in which we work and live, and have therefore enthusiastically taken part in this walk for more than two decades now. It is one of the most popular and highly anticipated annual charity events for our employees and agents. We are naturally delighted to have won these awards and very proud of all our personnel that helped achieve it.”

Raymond Ng, Chairman of Manulife’s Walk for Millions Organizing Committee, said: “Our heartfelt thanks go out to all agents and employees who participated in the walk. Beyond the sheer numbers lie the care, passion and love that Manulifers have shown in lending a helping hand to those less fortunate in our community.”

More than 2,500 Manulifers took part in this year’s walk. Over the years, Manulifers have raised more than HK\$16 million through the event, with the number of its participants jumping more than threefold. The funds going to the various social-welfare agencies will be used to strengthen family bonding and encourage mutual-support relationships among family members, helping them to cope with individual or family problems, as well as providing services for their needs.
