Manulife and QBE enter into an Exclusive Distribution Agreement

Hong Kong – Manulife (International) Limited (“Manulife”) and QBE Hongkong & Shanghai Insurance Limited (“QBE”) have entered into an Exclusive Distribution Agreement. From August 1, 2016 and subject to the terms of the Agreement, Manulife exclusively appoints QBE as supplier of general insurance products in Hong Kong for distribution through Manulife’s agents¹ to its customers. These products cover travel, motor, home and employee compensation insurance, and will complement Manulife’s comprehensive life, pensions and wealth management products.

QBE has been selling general insurance products via Manulife’s agency channel in Hong Kong since 2003. The arrangement under the Agreement takes the relationship between the two companies to a higher level. It will better meet the demands of both corporate and individual customers of Manulife who are looking for a “one-stop solution” for their financial protection and various insurance needs. Customers will benefit from increased convenience, enhanced experience and more choices.

Guy Mills, Chief Executive Officer of Manulife (International) Limited, said: “Manulife has been serving the protection needs of people in Hong Kong for more than a century, and QBE has had a strong presence here for nearly as long. This partnership supports Manulife’s business strategy in providing holistic solutions to our customers, creates more value to them and further differentiates our leading position in the protection area.”

Mark Walker, Chief Executive Officer of QBE Hong Kong, said: “This exclusive partnership on general insurance formally expands a long-standing relationship between two highly respected brands. It allows QBE to further expand its distribution capabilities through Manulife’s broad customer base and a strong agency force. We look forward to further reinforcing our standing as Hong Kong’s top ranked general insurer and a leader in the corporate and specialty segment.”

Manulife and QBE will jointly invest in and deliver digital solutions and e-business capabilities that will assist Manulife agentsⁱ to efficiently distribute general insurance products that are complementary to Manulife's current offerings. Direct access to Qnect, QBE's proprietary e-Commerce platform, will also allow Manulife agentsⁱ to generate instant quotes, manage policy administration and eventually lodge online claims and keep track of a wide range of commercial and personal general insurance products.

Under the arrangement, Manulife and QBE will also work together to develop tailor-made general insurance solutions for corporate and individual customers. QBE's complementary and forward thinking solutions will enable Manulife to increase customer value throughout the customer journey.
